Date: 20.02.2021

## General Information for Public

Every year, Rashtriya Ayurveda Vidyapeeth (RAV) calls for application from eligible experts who fulfill the criteria of Gurus. In the same advertisements, it is also mentioned that already empanelled guru need not to make fresh application. RAV also considers the empanelment of the experts on Search and Find basis. The Sub-Committee of RAV constituted by competent authority is empowered to select & recommend the Gurus for empanelment based upon the information/ documents and feedback available. The empanelment is valid only for one year.

2. For the current academic session year, 68 Vaidyas have been empanelled as Guru out of which 56 gurus of the previous year were considered.
3. Furthermore, it is pertinent to mention here that the eligibility criterion for the selection of CRAV Course (certificate course) of RAV is either BAMS or Post-Graduates in Ayurveda which is mandatory. It is clarified that only institutionally qualified Ayurveda graduates/post-graduates under IMCC Act 1972 and who are already registered as Vaidya can appear in the entrance exam for CRAV, which is conducted on all India basis.
4. Recently, it has been observed that in the social media there has been some fictitious information flashing regarding selection process of Students & Gurus. In order to clear the confusion among the general public and whosoever is concerned, this information is being published in electronic media.
