26TH NATIONAL SEMINAR ON 'AYURVEDA FOR ACCOMPLISHMENT OF SUSTAINABLE DEVELOPMENT GOALS (SDGs)'

Rashtriya Ayurveda Vidyapeeth, an autonomous organization under the Ministry of AYUSH is engaged in setting high standards in dissemination of knowledge of Ayurveda through its various activities. In the pursuit of the same, RAV is organizing a National Seminar on “**Ayurveda for accomplishment of Sustainable Development Goals (SDGs) - 3**”.

The Sustainable Development Goals (SDGs) were set up & adopted in September 2015 as a part of the resolution, ‘transforming our world: the 2030 Agenda for Sustainable Development’. SDGs are a call for action by all countries poor, rich and middle-income to promote prosperity while protecting the planet. These are assortment of 17 interlinked goals and the 169 associated targets which comprehensively cover social, economic and environmental dimensions of development and focus on ending poverty in all its forms & degree and more sustainable future for all by 2030.

Good health is essential to sustainable development and the 2030 Agenda reflects the complexity and interconnectedness of the two. Ensuring healthy lives and promoting well-being at all ages is essential to SDG-3. Universal health coverage will be integral to achieving this, ending poverty and reducing inequalities.

Ayurveda the oldest living medical system offers detailed and comprehensive plan for the maintenance of Good health and also for the alleviation of diseased conditions by keeping equilibrium of Agni, Dosha, Dhatu, Mala along with cheerful mind, intellect and sense organs as well as personalized approach of treatment. It is established truth that Ayurveda has potential to ensure the achievement of the targets of healthy lives and wellbeing through its time tested, doable unique and pragmatic approach.

The National seminar on “**Ayurveda for accomplishment of Sustainable Development Goals (SDGs) - 3**” is being organized by Rashtriya Ayurveda Vidyapeeth

with the intention to sensitize our Vaidyas about sharing responsibility of each of us with regard to achievement and fulfillment of SDG. Through, India improves its Sustainable Development Goals Index score to 117 in the year 2020, yet efforts are needed for positioning it to in the list of top 20 countries. An attempt would be made to deliberate in detail and to reestablished the role of the Ayurveda in the accomplishment of SDG-3.

The Seminar is scheduled on 22 - 23 March, 2021 and will be held at **New Delhi**. The Seminar will have 5 scientific sessions and key note addresses by eminent experts.

The young scientists and Practitioners of Ayurveda may submit their Original paper on evidence-based experimental, research studies, clinical studies, case papers and review articles related to SDGs – 3 for oral presentation, after due review.

Please send a soft copy of full paper along with a certificate, as per the specimen attached to this letter. All selected papers will be printed in the Souvenir to be released at the time of inauguration. Some of the selected papers will be allowed for making oral presentation during the seminar and oral paper presenters will be paid TA as per rules along with modest accommodation and boarding.

Please send your full paper on or before 12th March, 2021. Instructions for authors for both Original Research Paper and Poster presentation has been given in the enclosed Annexure. Kindly read and follow the instructions carefully.

(Dr. Anupam)
Director, RAV
