About the Programme

Roga-Rogi Pariksha forms an integral part, hence it is mandatory for every Ayurveda physician to inculcate the practice of identifying symptoms and treating diseases in day to day practice. Hence, **Rashtriya Ayurved Vidyapeeth (RAV)** is organizing two day training programme on clinical diagnosis for Ayurveda Practitioners of Kayachikitsa disciplines to upgrade their knowledge and expertise in this field through eminent speakers who will enlighten & enrich us with their clinical experiences.

Objectives

- To enhance clinical practice based on Ayurvedic Samhitas.
- To develop skill of Clinical interpretations of Diagnostic References mentioned in Samhitas
- To impart knowledge and understanding to participants about Roga-Rogi Pariksha
- To bring back traditional practices with contemporary knowledge.
- To bring back the habit of referring book on the bed side.
- Differential Diagnosis in accordance to Ayurveda.
