September 2024

Shri Dhanwantry Ayurvedic
College & Hospital, Chandigarh

About Us

Rashtriya Ayurveda Vidyapeeth is an autonomous organization under the Ministry of Ayush. The Vidyapeeth was established in 1992 with the main aim to preserve and arrange transfer of Ayurveda knowledge possessed by eminent Ayurveda scholars and practitioners to the younger generation through the Indian traditional guru shishya method of education and knowledge transfer.

About the Programme

Prasuti Tantra & Stree Roga is a specialized branch of Ayurveda focused on women's health from menarche to menopause and beyond. This field addresses obstetrics and gynecology through traditional Indian Ayurvedic practices. The aim of this training program is to provide comprehensive care and knowledge to enhance the well-being of women at every stage of life.
